HEMATITE 1986 STEPS TO THE FUTURE

Produced by the I.H.S. Journalism Class for the Students, Faculty, and Community of Ishpeming, Michigan.

TABLE OF CONTENTS

The '86 annual has been produced in a different manner. This year's book is done in a "progressive" pattern. This means it is done by seasonal sections. You will find all the sports, activities, and organizations in their proper seasonal section. Therefore, the class pictures will be found in the "Fall" section because that was when they were taken, the Winter Carnival, of course, in "Winter," etc. The sections are: Spring, Fall, and Winter, omitting Summer.

I hope you enjoy the latest edition of IHS history!

THE COME THE FIGHT

LOOKING FORWARD TO LOOKING BACK

We the class of '86 would like to thank Mrs.
Nancy Sundblad for all her dedication
through the years.

She has helped us in many ways by giving
us that extra push we needed whenever we
didn't have enough enthusiasm to finish our
class projects.

She also did many things she didn't have to
do like having us over for hot chocolate and
goodies.

We want her to know how much we ap-
preciate her!

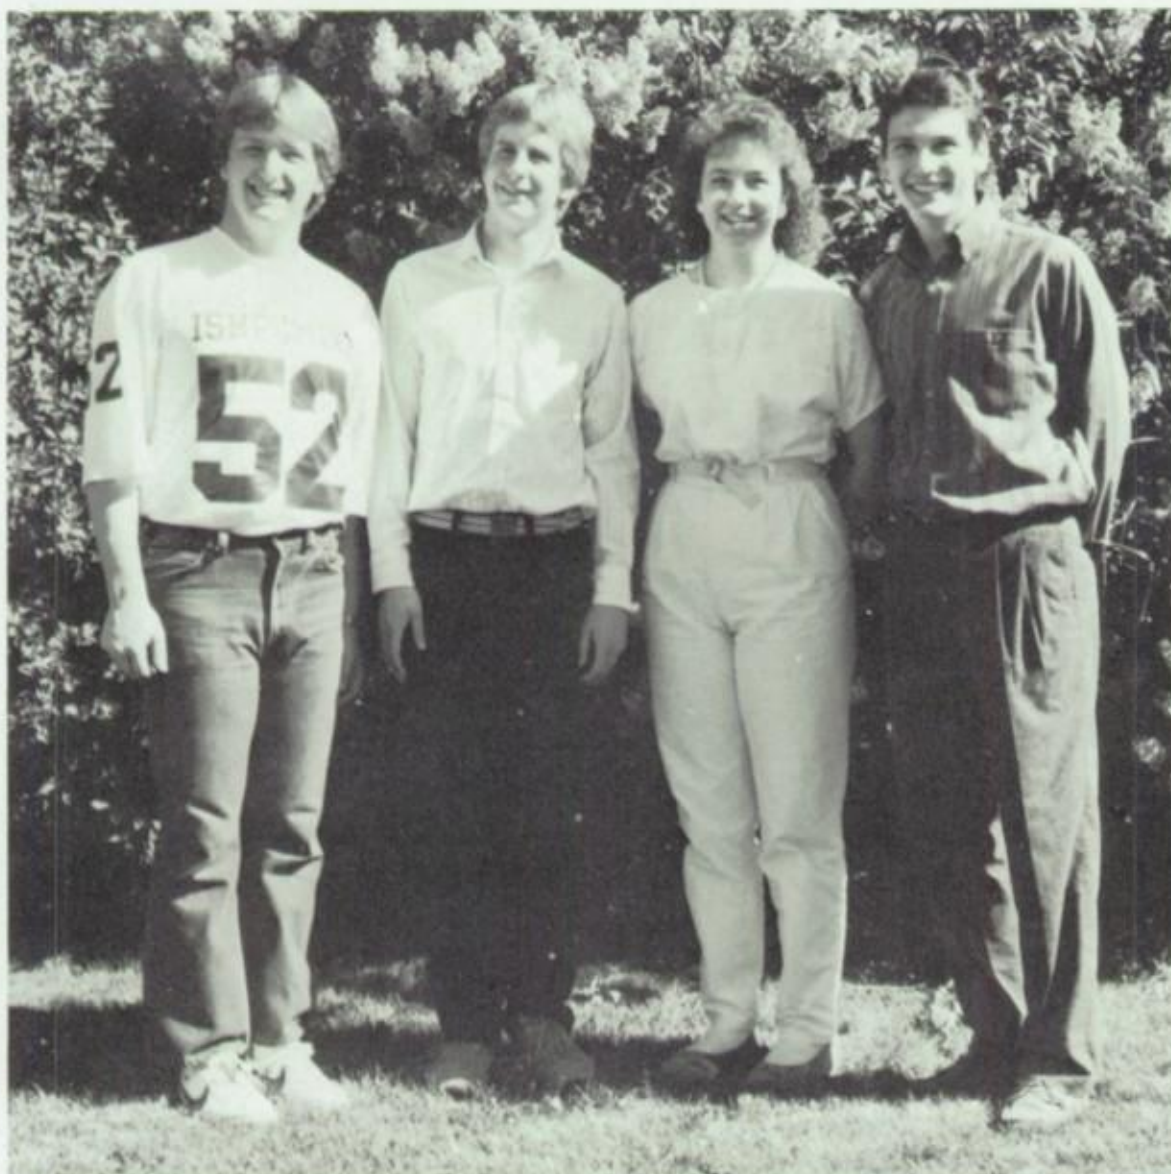

*We'd like to welcome the newest addition
to the class: Aaron Kyle Sundblad.

M.I.F.A. LIVES AT I.H.S.

Top Row: Dave Junak, Rob Andrew, Tonilee Hilmgren, Patricia Smith, Martin Achatz, Joe Hanson, advisor, Nancy Decaire, Bottom Row: David Koski, Carl Darden, Randal Claussen, and Matt Lehto.

David Junak, Rob Andrew, Patricia Smith, and Joe Hanson.

Duos primed to perfection, radio announcers sparkling wit, extemporaneous artists speaking statistics, and humorous interpreters boiling with excitement.

This was the scene at the 1984 Forensic Districts competition at IHS. Nine IHS students participated in five events. Six of the nine qualified to go on to the next competition — the Regionals. They were held at NMU and lasted seven grueling hours. At last, four of us qualified for the next step — State competition. They were: Joe Hanson — radio broadcasting, Rob Andrew — extemporaneous speaking, and Dave Junak and I doing a dramatic duo.

Though none of us took places at the State — held at the Campus of U of M in Ann Arbor, I think I can speak for us all when I say "We had a Blast!"

Our 1985 Track Team lacked in numbers to be a strong contender in the conference, but those who were there tried their hardest. Our highlight of the season was beating Manistique and scoring over 100 points. Although we were small in numbers, we had many make it to the U.P. Finals. We would like to thank coaches Dellangelo, Marietti, and also Ms. Engman for their time, effort, and consideration.

This year's tennis team contained many juniors and sophomores. Because we lacked the experience of seniors, we fell a little short in some important meets. With all the returning lettermen, I feel we are strong candidates for next year's season. Special thanks to Coach Langness and Assistant Coach Terry Roberts.

IN MEMORY OF MRS. JONES . . .

Though she was only here a short time, Mrs. Jones contributed so much to the people around her — Her friends, family, and students. She played many important roles here at I.H.S. — A teacher, an advisor, and a friend.

Thank you
and God Bless you!

Our team would like to give special thanks to Coach Nelson for all his time and patience in giving us "helpful hints!" I encourage anyone who wants to have fun to come out to the "club" sometime!

**TAKING
POSITIVE
STEPS
TO
VARSITY**

This year our Freshmen football team shot off with a flying start by beating Gwinn, only to be brought back down to earth when we met Marquette, who won by a large margin. As for the rest of our season, we only won two games, both against Gwinn, so our final record was: 2 wins, 4 losses.

Even though our season was not as successful as we would have liked, we learned how to win and lose gracefully.

Our team was lucky to have only one major injury which happened to David Morton, who sustained a neck injury in practice. He was out for the rest of the season.

On behalf of the whole team I would like to thank Coach Matson and assistants Coach Bosio and Coach Underwood for a great season.

The IHS Girls' Varsity Basketball Team was loaded with talent contributed by each and every player as we finished the season with a 500 record. The highlight of the year was defeating Norway who was ranked in the State and no. 2 in the Conference. We would like to thank everybody who supported us throughout the season. We also would like to wish good luck to Mr. Nelson and the future girls' basketball teams at IHS.

SENIORS

We had a great time cheering for our teams. The season seemed to fly by so fast. This year we were able to attend a cheerleading competition and clinic held in Newberry. It was a great experience for us all. We would like to let the J.V. Cheerleaders know how proud we are of them and hope they continue with their success.

We would also like to thank our advisor, Miss DeCaire, for the help and support she gave us.

The J.V. football cheerleaders along with Ms. D, our coach, had a great season. It started with cheerleading camp in Oshkosh this summer and ended with cheering for girls' basketball. In-between, at our own games and a clinic-competition in Newberry, practices, and pep assemblies, our squad as a whole gained a lot of valuable experience. We would like to thank Ms. DeCaire for her infinite time and care; she has been with us and for us the entire time.

Our class of '86 has set high goals and foresees great accomplishments for each and every member. We have always done our best to excel in all we've attempted whether it be academic or extracurricular. Our high school years are coming to a close, however, a whole new world is opening up, and with eagerness we all are making plans to make the most of it. We would like to congratulate the entire staff for "a job well done." You've prepared us for the journey ahead and we thank you. A special thanks to Mrs. Nancy Sundblad, our class advisor, for her help, patience and understanding. Also to Ms. "D" for being there.

The class of 1986 will soon dissolve as each individual chooses his or her own path, but our shared memories of the great times will hold us together forever.

STUDENT COUNCIL LIVENS UP I.H.S.

Back Row, L. to R.: Kris Hendra, Sue Sharland, Mary Jo Suardini, Tina Guizzetti. Seated, L. to R.: Linda Bertucci, Rojean Etelamaki, and Gretchen Wise.

The Student Council is an active leadership body that is concerned with the problems and opinions of the I.H.S. students. This task of leading was undertaken this year by eight women. The eight members accomplished a lot and activities were many.

The Student Council's first activity of the year was Homecoming, which consisted of a pep assembly, parade, and dance. We also had our fourth annual Board of Education dinner and second annual four school Student Council meeting.

Two new ideas came about this year. The first being a mock Board of Education meeting with the Student Council being the Board of Education. The second activity was hosting a Parents' night for all sports.

I feel we have had a very successful year and hope that there are many years of added success.

I'd like to end by thanking the many people that have supported and helped us.

Mr. Bruce Carlson

Mr. Bruce Carlson

We, his former students, would like to thank Mr. Carlson for his 30 continuous years of teaching at Ishpeming High School. Also a special wish that he will have an enjoyable retirement.

IN MEMORY

We would like to dedicate this yearbook as a memorial to Mrs. Julia Jones, our French and English teacher. Though she was with us for such a short while, she touched all of our lives.

AIDES ARE VALUABLE ASSETS IN POOL

Left to Right: Milissa Hanson, Mike Miller, Valgene Dobson, and Brad Gleason.

The concept of pool/gym aides at Ishpeming High School was instituted several years ago in the belief that the routine tasks of a class could be effectively handled by students who sought a release from study hall in order to use their time in a more constructive manner. Some of the duties include roll-taking, monitoring the locker rooms, officiating games, and numerous other duties.

The IHS Chorus has had a full year of activities. We started the year with the annual "Big Sing" at Westwood. Our Chorus showed everyone by performing a medley from "Cats." The entire chorus of thirty members dressed up like cats. Some of the costumes were very convincing. Again, the IHS Chorus was at its full potential at the Christmas concert, with the Grand Finale consisting of all the choruses and the IHS Band performing together on "A Christmas Portrait." At the Solo and Ensemble Competition, two out of our nine soloists received a one rating, the equivalent of an A. The other seven received two's, or B's. Our next event was to perform at the Choral Festival in Escanaba, where our chorus was judged on two required classical songs and sight reading. Our final performance was the spring concert. All of the choruses performed, and there were some small group and solo performances as well.

We would like to thank Miss "T" for her dedication to the Chorus, and Mrs. Bur for being our accompanist, Miss "D" for supervising the buses, and Mrs. Regis for letting the Chorus use the stage, and a final thanks to all the Chorus members for performing so well all year long.

Tammara Ball

The IHS Band had a great year. We played at all the home football and basketball games, and marched in the Homecoming Parade. Shelly Schultz played the National Anthem on her trumpet before home varsity basketball games. We attended Band Day at Northern Michigan University in the fall and in March we attended the Band Festival held in Marquette. We had a Christmas concert, A Spring concert, and a concert to practice our festival.

There are thirty-three members in the band this year, nearly double the number of students as last year. We are losing one senior, Beth Jackson, but hope to gain new members from the junior high. We would like to thank our director, Mrs. Regis, for all her help.

The S.A.D.D. program (Students Against Drunk Driving) is off to a great start this year. We have been meeting during our lunch hours and deciding on different activities to let the students know the dangers of drinking and driving.

Early in the year we elected officers as follows: Jodi Betts; President, John Croze; Vice-President, Missy Joseph; Treasurer, Linda Bertucci; Secretary. Mr. Croze is our advisor. S.A.D.D. members handed out buttons and posted signs before Christmas vacation to remind students not to drink and drive over vacation.

We are looking forward to an active year and hope to accomplish our goal of educating students of the consequences of driving drunk.

Solo and Ensemble

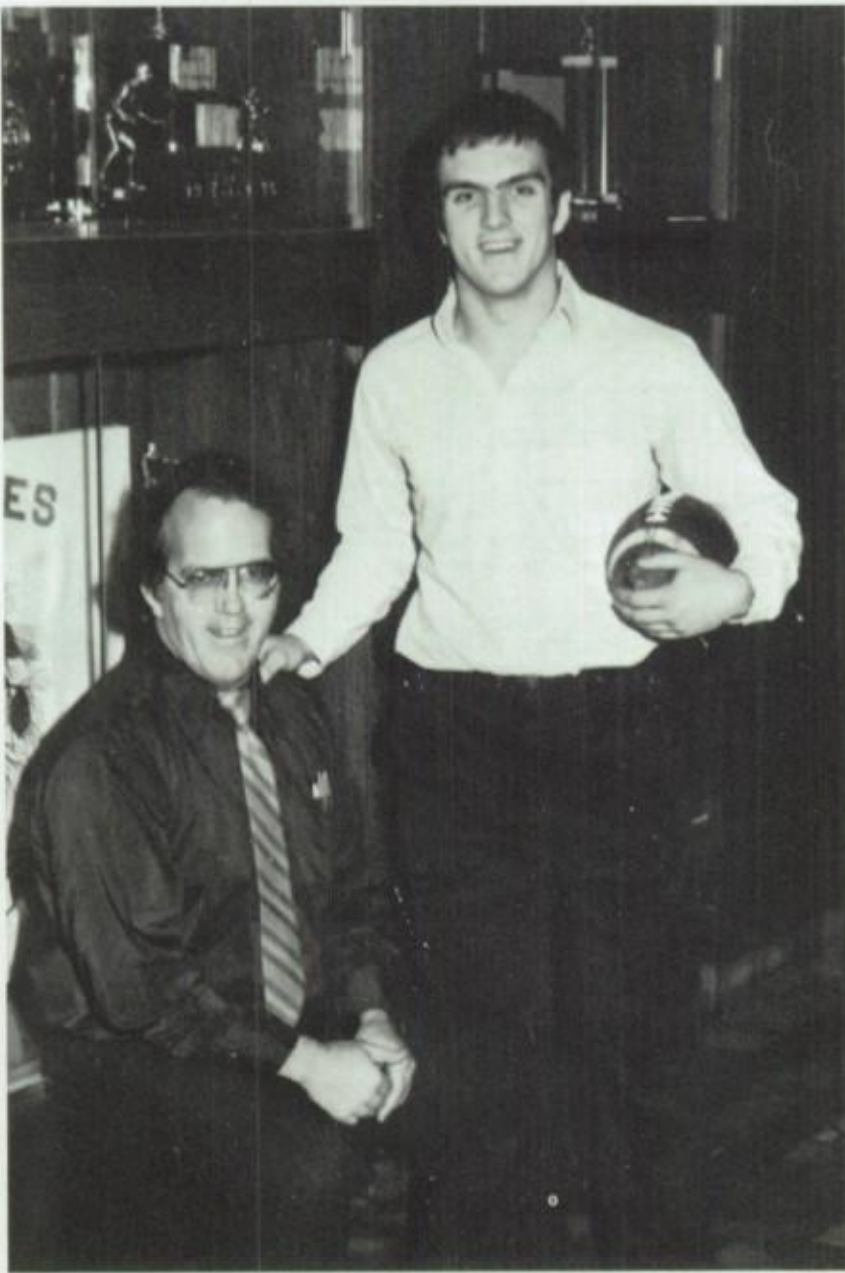

From 8:00 a.m. to 2:00 p.m., nine IHS students competed in a day-long "song bird" festival at NMU on February 15. Two of these students qualified for State competition. They were: Tracey Wealton and Randy Claussen. We all put many, many hours of preparation into our selections and I feel we all deserved the top honors we received.

Seniors finally compete!!!

Winter Carnival '86 had quite a good turnout this year. But, the Ice Statues leave a lot to be desired! Well we have to give some credit to the Seniors for finally coming through and building "Opus." The Freshmen who were the winners of the contest, caught "The Spirit of I.H.S.," while the Sophomores built a Space shuttle to "Shoot for the Moon." Let's give a hand to those *few* Juniors who built . . . whatever it is! Better luck next year!

FRESHMEN FIGHT

This year has been a disappointing one with a record of 2-9, with four games left. Our goal with five games left was to win three of them. We've gotten the first one and we hope we can get the other two for Coach King. The team would like to thank Coach King for putting up with us during the season. We'd also like to thank the parents and students who came to watch us play.

Remember . . .

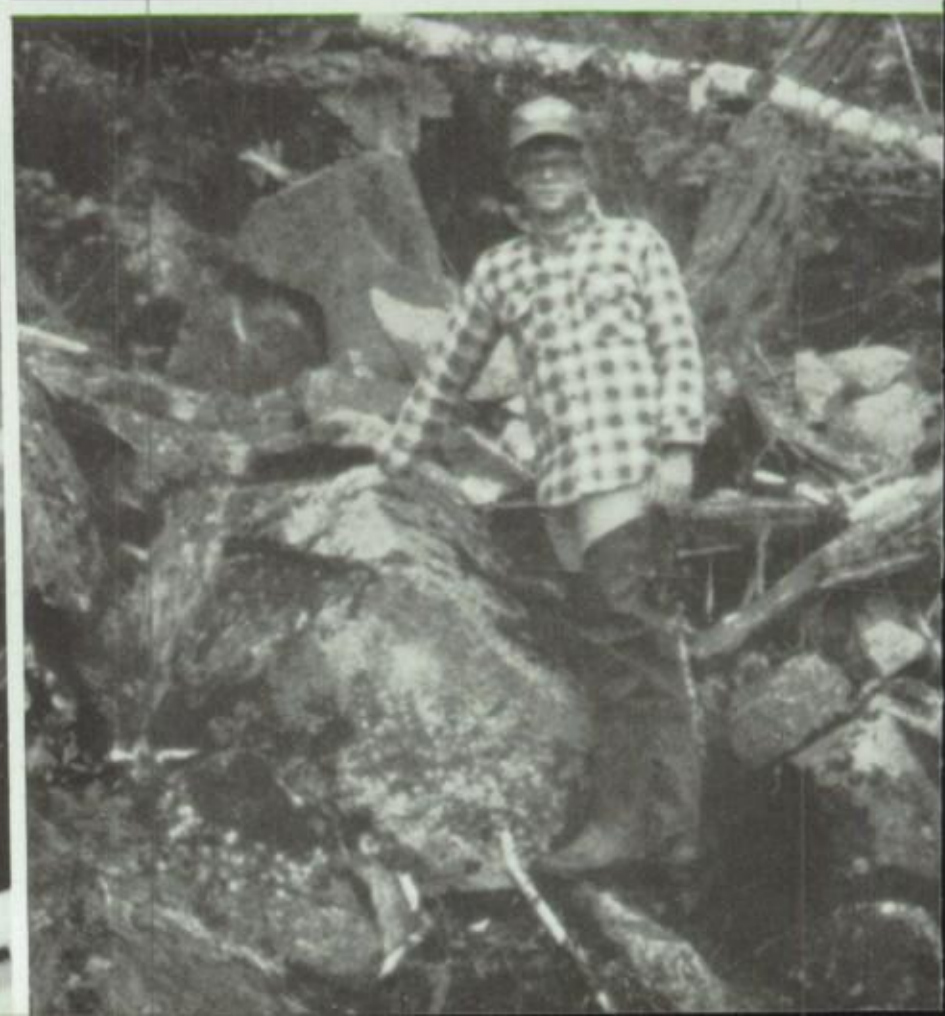

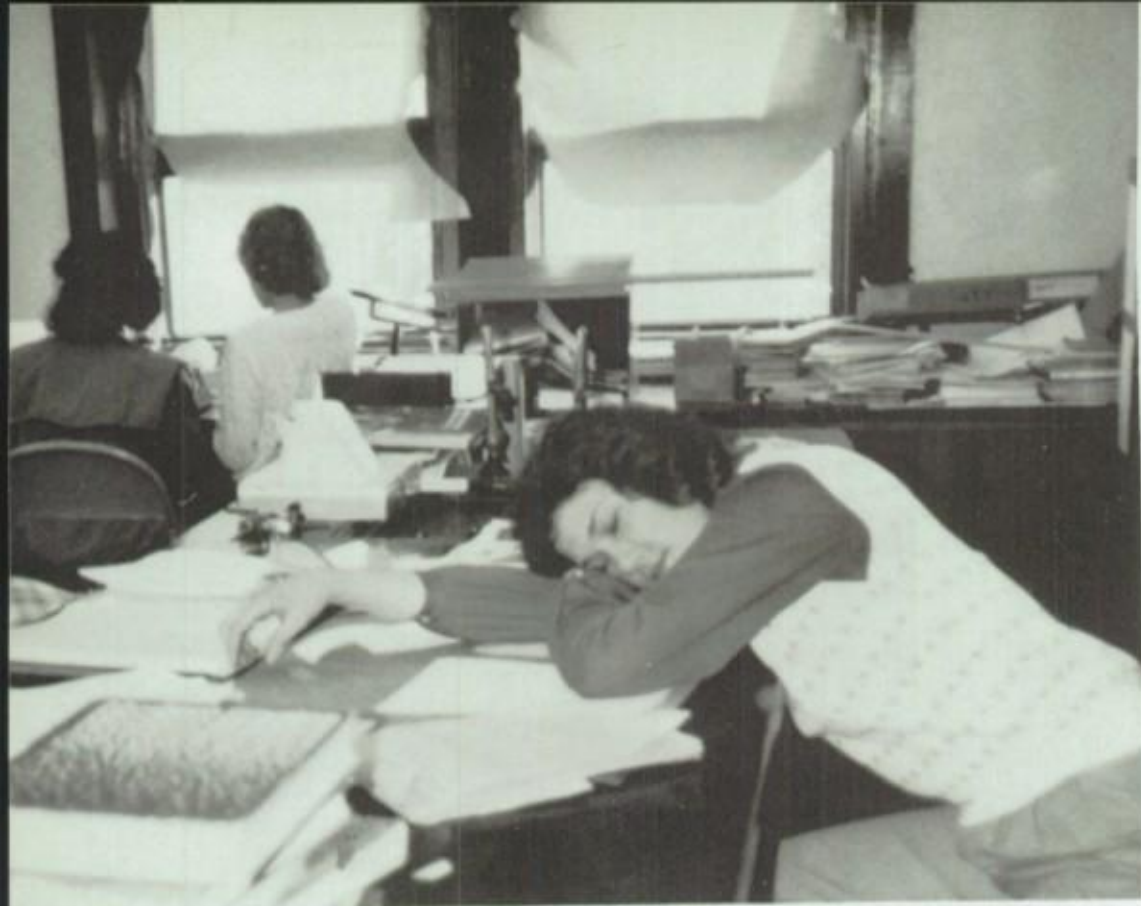

We began as freshman,
Can you recall?
The excitement, the fright,
We felt so small.
We soon adjusted,
We were on our way,
Moving up,
Day by day.
Sophomores were next,
We were moving at last,
But when looking back,
"Gee, last year went by fast!"
The days went by,
And what did we find?
Our junior year,
Leaving our underclassmen seats behind.
We felt really good,
Not too young or old,
Making the most of the year,
As if it were gold.
We began to look forward,
To what lies ahead,
Realizing only one more year,
The "short one" they said.
It's finally upon us,
It's moving too fast,
We now look back,
At all the years past.
Remembering the good things,
The times we have had,
The year we looked forward to,
Now seems quite sad.
Soon we will graduate,
And go separate ways,
Holding dear to the memories,
Of our high school days.

— Bob Hodges

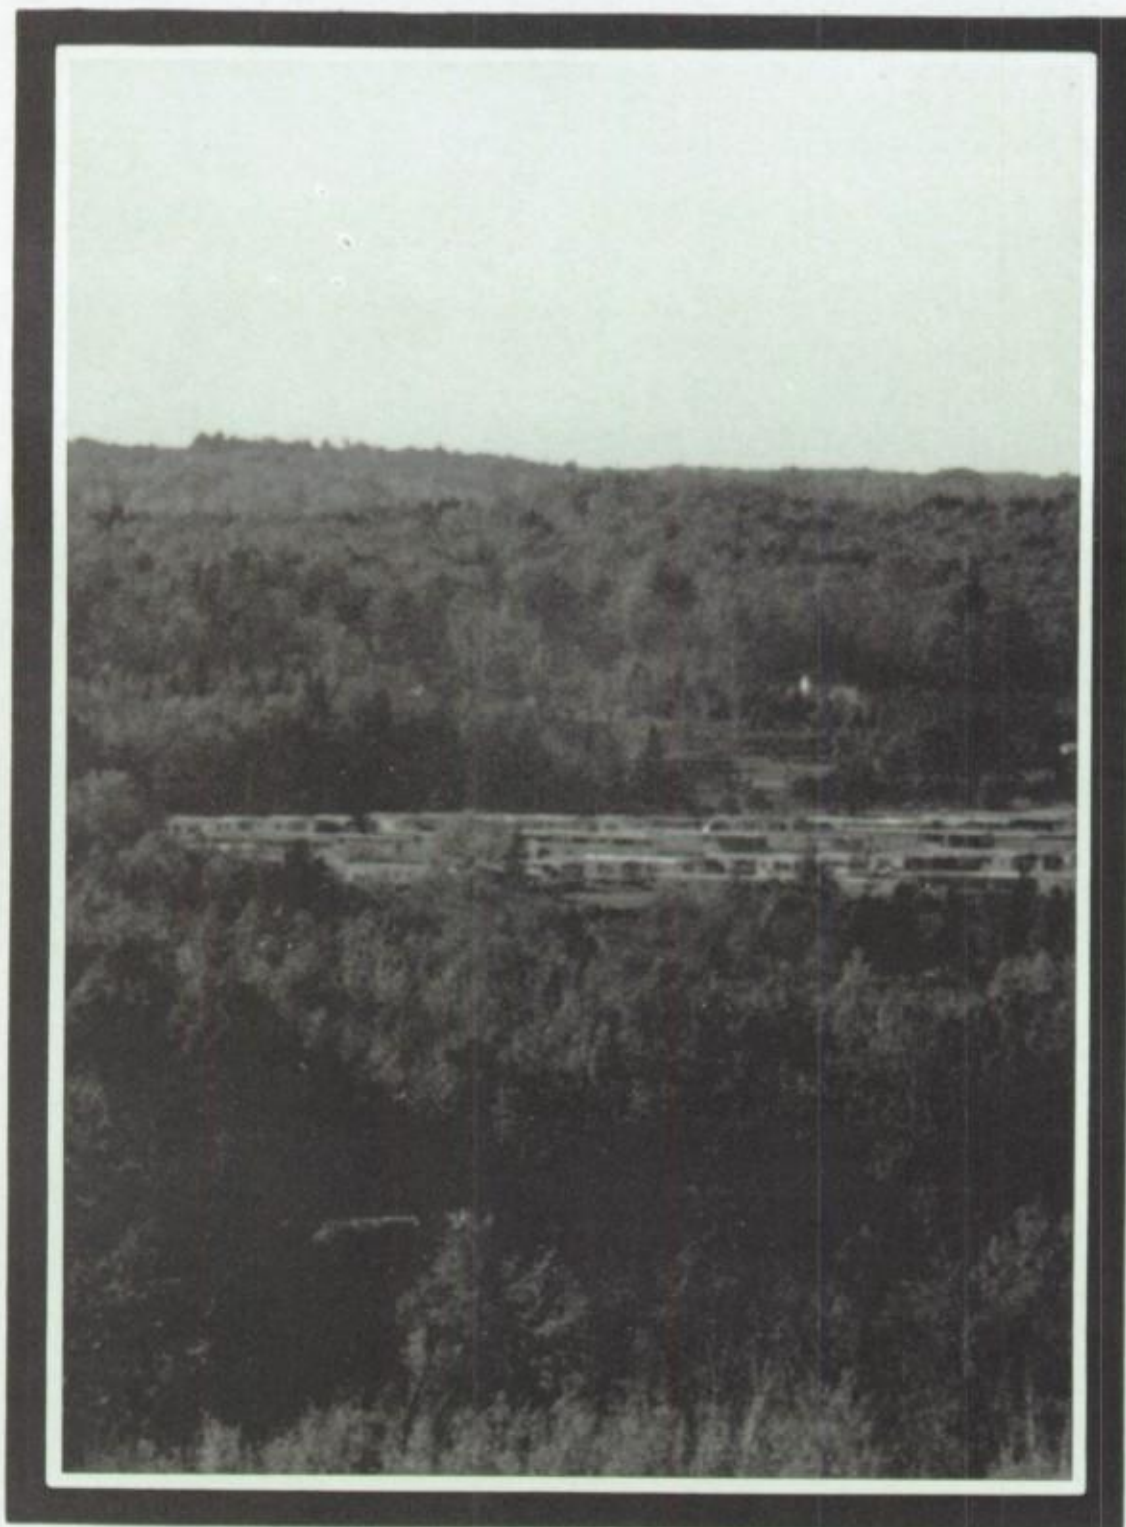

Did you ever think —
In all the years that passed,
That the things that were to come —
Would all go by so fast?
So much to look forward to —
So much left to see,
Now our time is almost up,
Can that really be . . . ?
Remember all the plans we made —
And how we were so sure,
That our class would unite as one —
No matter who we were.
Soon it will be over —
And we'll all go separate ways,
But the memories we have stored away,
Are all of happy days.
Our childhood is almost over —
Things are coming to an end,
But there's a new life waiting,
And it's just around the bend.
Maybe in the years to come —
Some memory of us will stick,
So please remember who we are . . .

The senior class of '86.

Being chosen as editor of the 1986 Hematite has meant a lot to me. It has meant a lot of responsibility, patience, and hard work.

I would like to thank the section editors and staff for their work and dedication. It would be hard to imagine what it would be like not to have such a cooperative staff. And a special thanks to Lemons Studios and Kim Marsh for the fine pictures. I would also like to thank my partner-in-crime, Brooke Anderson, for the time we spent correcting pages and proofs and I would like to wish her and her co-editor, Jamuna Swamy, the best of luck with next year's book.

But on the very top of my list, with a heart as big as the smile on her face, is "Deeks." Being a "rookie," she has had to show me the ropes but I think we did okay. I couldn't have gone through the trying times without her support and friendship.

In closing, I would like to say:
 There is something about the ending,
 When friends all gather near
 There's nothing that I'll forget
 About my senior year.

Patti Smith — Editor —
